Strong black tea. Warm speculoos spices.
Smoky orange aroma.

A smooth, dry finish with an elegant bar atmosphere

Ingredients

- 250 ml black tea Art. 8056
"clubhouse Blend"
- 20 ml maple syrup or dark
muscovado syrup
- 20 ml Deheck Butterscotch
with Whisky
- 1 dash Angostura bitters
(optional)
- 1 organic orange
- 1 pinch of smoked salt
- 1 large ice cube

Preparation

1. Brew the "Clubhouse Blend" black tea slightly stronger than usual (let steep for about 4–5 minutes).
2. Stir in the maple syrup, Deheck Butterscotch with Whisky, the pinch of smoked salt, and—if desired—a dash of bitters.
3. Place a large ice cube into a heavy tumbler and pour the tea over it.
4. Use a peeler to cut a 3–5 cm piece of orange peel. Try to use only the orange outer layer and avoid most of the white pith.
5. Flamed orange zest: Hold a lighter or match about 5–10 cm above the glass. Position the peel with the orange side facing the flame.
6. Firmly squeeze the peel between thumb and forefinger. The released essential oils are heated by the flame, creating an intense, slightly caramelized citrus aroma.
7. Then rub the outside of the peel along the rim of the glass and drop the zest into the drink.
8. Serve immediately.
