

- 
- A glass jar filled with a vibrant orange-colored iced tea. The jar is garnished with several slices of orange and a sprig of fresh green mint leaves. A light blue and white striped straw is inserted into the drink. The background is a solid light orange color. In the foreground, there are more orange slices, including a whole one and several halves, adding to the citrus theme.
1. Add 6-8 tsp of tea (11196 "Yuzu" fruit tea) to a teapot, pour 1 liter of boiling water over it, and let it steep for 10 minutes.
 2. Strain the tea into a heat-resistant carafe, stirring in sugar if desired. Add about 10 ice cubes and let it cool.
 3. Then refrigerate the tea for 2 hours and garnish with orange slices.
